Indicator 13 Training

Using the I-13 checklist correctly and writing compliant transition plans

September 13, 2010

**Capital Plaza Hotel
Montpelier, Vermont
9AM – 4PM**

Indicator 13 is part of the Annual Performance Report (APR) and is a compliance indicator in the State Performance Plan (SPP). I-13 looks at the number of students (16 or older) who are on IEPs and have measurable post secondary goals based upon transition assessments, and have annual IEP transition goals along with supporting transition services and courses of study.

Featuring:

Training and calibration on using the Indicator 13 checklist for reviewing IEP post secondary transition plans. Participants will also receive training on writing Indicator 13 compliant transition plans.

Who Should Attend:

Special Education Administrators and high school special education staff from each of the 10 supervisory unions who are participating in the compliance monitoring process this year (this is a mandatory training for these staff). Additionally any high school special educators and special education administrators and parents are welcome and encouraged to attend.

Training Highlights:

- **Technical Assistance from Catherine Fowler, Ph.D.**, Project Coordinator at NSTTAC (National Secondary Transition Technical Assistance Center). NSTTAC is a national technical assistance and dissemination center funded by the US Department of Education Office of Special Education Programs (OSEP). Catherine will connect via video conference.
